

AVANT[®]

200

SERIES

AVANT[®] 220

The real multi task machine

- Strong and reliable 20 hp petrol engine
- Amazingly powerful
- ROPS/FOPS canopy and seat belt as standard

AVANT[®] 225

When more power is needed

- Powerful Kohler 25 hp Electric Fuel Injection engine
- Auxiliary hydraulics 42 l/min
- Enough power for snow blower, 1500 mm lawn mower etc.

Features

More space for equipment

Kohler 20 or 25 hp petrol

Larger 14 l fuel tank

Larger 47 Ah battery

Trailer ball hitch

Articulated chassis

Automatic drive release

As much as 42 l/min auxiliary hydraulics oil flow

Certified ROPS safety frame with FOPS canopy

More spacious cockpit

Multi function display

Multi connector for attachment hydraulic hoses

Excellent visibility to attachment

AVANT quick attach system for attachments

Boom self levelling

Easy-to-operate

- Avant quick attachment system for attachments and multi connector for hydraulic hoses
- Boom self levelling
- Easily operated, well-positioned controls
- Safe and easy access to driver's seat
- Multi function display: fuel gauge, hour meter, engine function indicators, road traffic kit indicators
- Avant 225 with Kohler 25 hp Electric Fuel Injection petrol engine starts easily in any situation – no choke required
- Compact dimensions

Well thought-out Avant ergonomics

- More legroom
- Improved ergonomics
- Multi connector
- Cab L available as an option
- Suspension seat with heater available as an option
- Joystick 6 function available as an option

Avant 225 – more power

- New Kohler 25 hp Electric Fuel Injection engine
- As much as 42 l/min oil flow to attachments
- Professional hydraulics

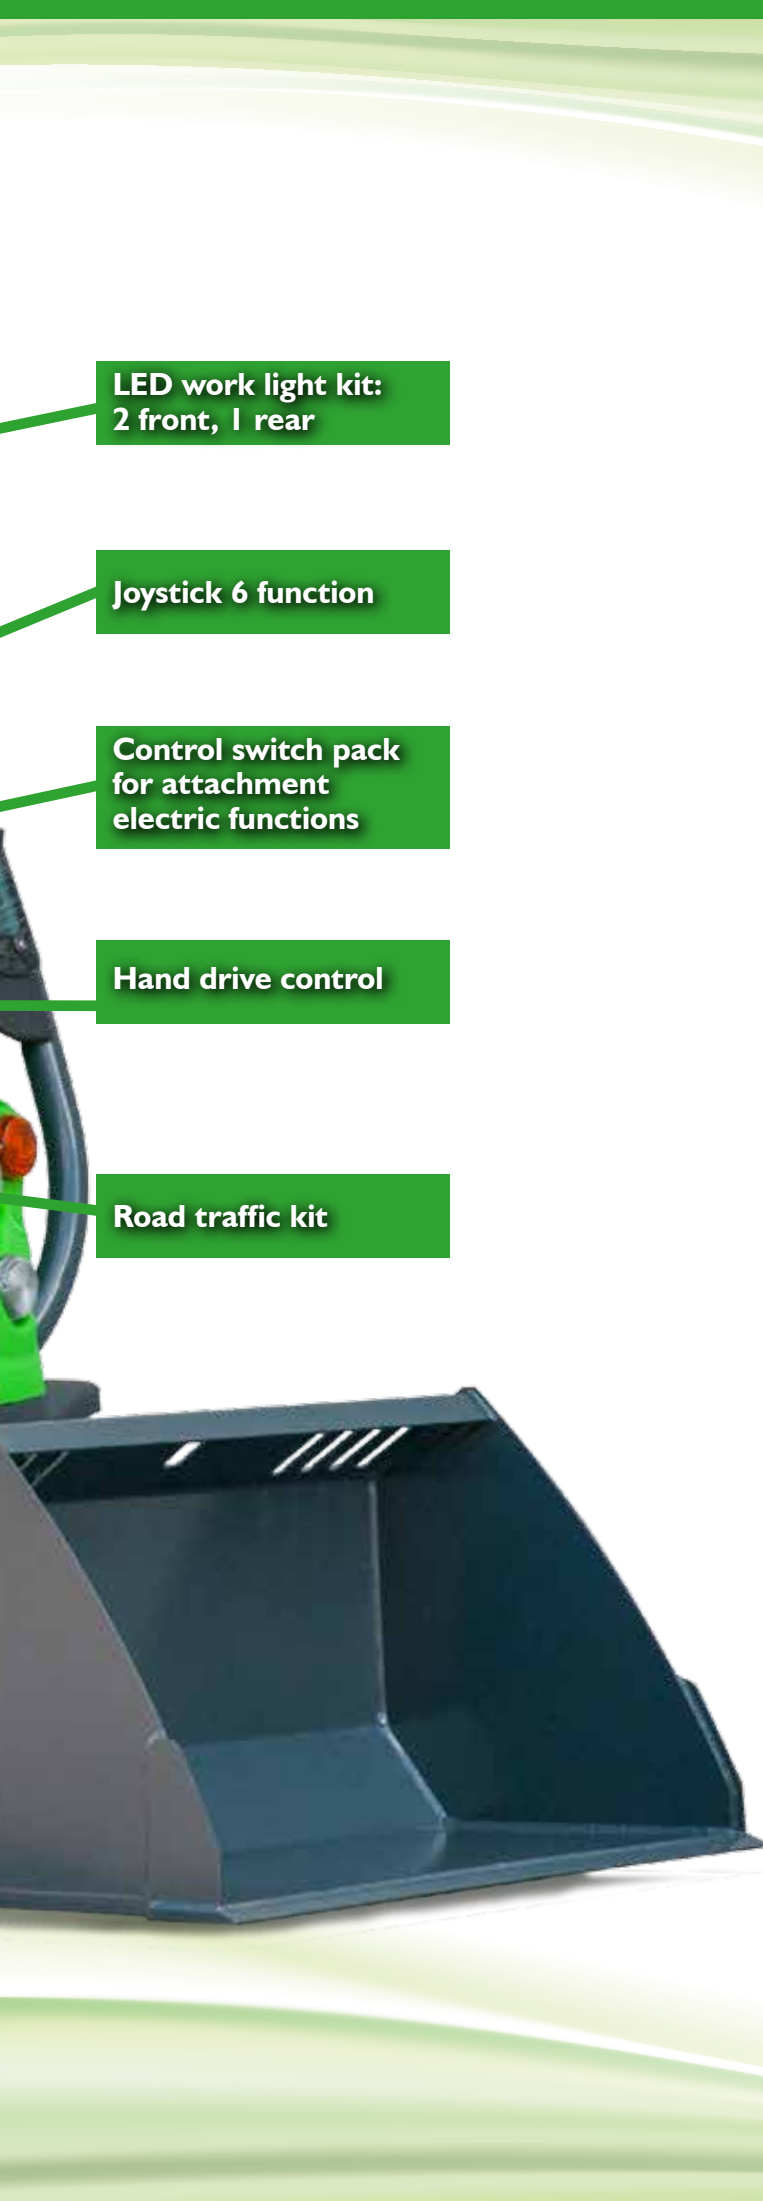

Safety

- Certified ROPS safety frame and FOPS canopy
- Seat belt
- LED front lights as standard; LED work light kit (2 front, 1 rear) available as an option
- Excellent, unrestricted field of vision to the work and attachment

Options and attachments

**LED work light kit:
2 front, 1 rear**

Joystick 6 function

**Control switch pack
for attachment
electric functions**

Hand drive control

Road traffic kit

Add efficiency and comfort to your work with options

- Anti slip valve
- Cab L
- Suspension seat with heater and arm rests
- Auxiliary hydraulics outlet in the rear
- LED work light kit: 2 front, 1 rear
- Road traffic kit
- Joystick 6 function: operation of attachment hydraulics with buttons on joystick
- Attachment control switch pack: operation of attachment electric functions with switches mounted on top of the joystick
- Hand drive control: forward-reverse drive control either with a switch on the joystick, or with the drive pedals
- Block heater
- Wheel weights
- Cockpit cover
- Full weather cover
- Studded tyres

The most comprehensive, high quality attachment range

- Avant quick attachment system and multi connector on auxiliary hydraulics enable the use of same attachments as on bigger Avants – taking the power and lift capacity of 200 series into consideration
- Attachments of earlier 200 series I can also be used by mounting an adaptor on them
- Higher auxiliary hydraulics oil flow allows wider attachment range and more efficient working
- Comprehensive attachment programme for groundcare, landscaping, do-it-yourself, construction, property maintenance, forest work, farming etc.

Model	AVANT 220	AVANT 225
Engine	Kohler CV640	Kohler ECV730 EFI
Function	4-stroke, Electronic Fuel Injection	4-stroke, Electronic Fuel Injection
Fuel	petrol	petrol
